## We are one of the largest suppliers of Korean and Japanese OEM Parts in California

Established in 2003, PAT has an exceptional staff team dedicated to bringing the products, pricing and service you deserve!

**"Delivering the highest quality parts at the lowest possible price..."**

We are one of the largest suppliers of Korean and Japanese OEM Parts in California.

Our products are heavily discounted from the list price due to the high volume of product our company is able to turn over.

We are driven to save our clients both time and money.

Through exceptional quality control and delivery you can be rest assured you will always receive flawless parts at a price that cannot be beat.

**"Using OEM parts has never been so affordable"**

“We specialize in OEM parts for Japanese and Korean vehicles.”

PAT is devoted to delivering you the OEM parts you know and trust. We pride ourselves of selling only the best products on the market. Which is why we have specialized on delivering OEM parts at an affordable price.

Focused on delivering quality,  
PAT can supply your company with OEM parts.  
This eliminates any wasted time or money spent on inferior or aftermarket parts.

All references to vehicle models manufacturers are supplied for informational purposes only and are not intended to imply affiliation or approval by the vehicle manufacturers.

## "Need parts now? No problem! We have it in stock!"

Using OEM parts has never been so affordable

Our warehouse stocks more than 15,000 OEM parts with new inventory arriving daily!

Our team is constantly evaluating market demands to carry the most desirable parts.

## "Over 30,000 ft<sup>2</sup> with more than 15,000 OEM parts!"

Through careful analysis of purchasing trends, we have worked with clients to ensure we have the parts you need and want; when you want them!

## "Reduce your cycle time!"

Our products are personally inspected by one of our highly trained staff to insure that they are flawless and free of any defects prior to leaving our facility

## PRICING PROGRAM

### **“Pricing is important! Lower your expenses today!”**

At PAT we understand that pricing is an important part of our relationship with our clients. This is why we offer our clients an unbeatable discount from the OEM list price.

It's simple! These immediate savings translate into increased profit margins for your company without any added expense! Over an extended period of time, these savings can accumulate into a considerable amount of profit not to be overlooked!

### **“We pass the savings on to you!”**

Our purchasing team works closely with suppliers to get the best pricing possible. We then pass the savings on to you for your benefit!

## WARRANTY

### **WE STAND BEHIND OUR PRODUCTS**

Platinum Auto Trends Inc offers a limited lifetime warranty on its replacements such as bumpers, fenders, hoods, grilles and other automotive replacement parts. Radiators and condensers are also lifetime to the vehicle's original owner.

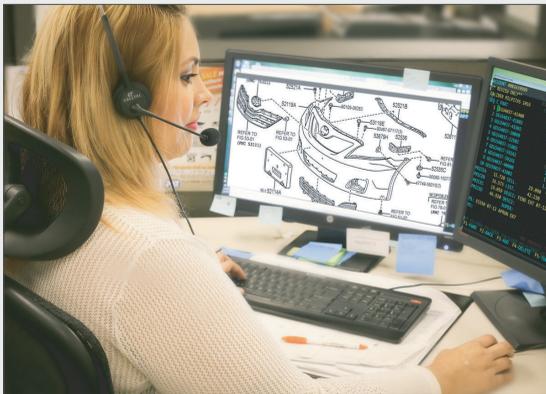

Platinum Auto Trends Inc guarantees its parts to be free of defects in materials and workmanship for as long as the original purchaser owns the vehicle on which the part is installed and only when installed in accordance with accepted industry standards.

**“Ordering? simple!”**

**ORDER**

**“Choose one of our electronic methods or speak to one of our friendly sales agents!”**

**“We take every precaution to reduce incorrect part orders!”**

Our experienced staff has the knowledge and expertise to find the parts you need. In addition we stay up to date with the latest Mitchell software to verify clients order the correct parts!
